

# Wedding Videos

from Icarus Films

## Silver Package

£ 599

A simple and elegant package that captures the most important part of your day.

A single camera operator will arrive at the venue an hour before the ceremony to set up equipment and record the preparations • Followed by the arrival of the guests and the groom's party • The arrival of the bridal party • The ceremony itself • Signing of the register • And, finally, wedding photos outside the venue.

## Gold Package

£ 799

Our most popular package, that includes both the ceremony and the after dinner speeches.

A single camera operator will arrive at the venue an hour before the ceremony to set up equipment and record the preparations • Followed by the arrival of the guests and the groom's party • The arrival of the bridal party • The ceremony • Signing of the register • The wedding photos • The greeting line at the reception • The speeches • And the cutting of the cake.

## Platinum Package

£ 999

Capture the whole day from arrival to the first dance.

A single camera operator will arrive at the venue an hour before the ceremony to set up equipment and record the preparations • Followed by the arrival of the guests and the groom's party • The arrival of the bridal party • The ceremony • Signing of the register • The wedding photos • The greeting line at the reception • The meal • The speeches • Cutting the cake • And the first dance.

## Diamond Package

£1599

Our deluxe package, featuring multiple camera operators and a copy of your film on Blu-Ray.

Filming begins in the morning with camera operators at both the bridal preparations and with the groom's party as they prepare • The groom's camera operator will then travel to the venue an hour before the ceremony to set up equipment and record the preparations and the arrival of the guests and groom's party • The second camera operator will then arrive to film arrival of the bridal party • The whole ceremony, from multiple camera angles • Signing of the register • The wedding photos • The greeting line at the reception • The meal • The speeches • Cutting the cake • The first dance • And highlights from the party (up to 10pm)

Each package includes 3 copies of your film on DVD (Diamond Package inc. 2 DVDs & 1 Blu-Ray), each printed with personalised artwork and dubbed with a selection of music chosen by you.
